Ludwig van Beethoven, one of the most influential composers of all time, is brought vividly to life and made relevant to today's young musicians in *Beethoven for Kids*. Children will learn about Beethoven's troubled childhood and family life, early gift and passion for music, volatile personality, championing of equality and freedom, and persistence in his work despite increasing hearing loss. The great musicians, thinkers, and movements of Beethoven's time, from Mozart and Haydn to the bold new ideas of the Enlightenment, are presented and their profound effect on the composer's life and music explained. Twenty-one engaging activities, including singing musical variations, dancing a Viennese waltz, creating an operatic diorama, and making a model eardrum, illuminate Beethoven's life, times, and work. A time line, a glossary, online resources, and recordings and reading lists for further listening and study round out this comprehensive resource.
