## Flatscreen: A Novel Adam Wilson

“OMFG, I nearly up and died from laughter when I read *Flatscreen*. This is the novel that every young turk will be reading on their way to a job they hate and are in fact too smart for.” —Gary Shteyngart, author of *Super Sad True Love Story*

Indie-lit star and *Faster Times* editor Adam Wilson delivers the gleefully absurd, effortlessly heartwarming story of one young man’s struggle to shake off the listless, sexless, stoned mantle of suburban teenage life and become something better. Fortunately (maybe) for Eli, his apathetic quest finds a catalyzing agent in one Mr. Seymour J. Kahn, a paraplegic sex addict and two-bit silver screen star who initiates a mad decent into debasement and (of course) YouTube stardom—a transformation from which there will be no going back.
