## Lulu on the Bridge Paul Auster

The insider's guide and perfect companion to the film starring Harvey Keitel, Mira Sorvino, and Vanessa Redgrave.

Stunning and surreal, *Lulu on the Bridge* is a romantic mystery with a lot on its mind. It is the story of Izzy and Celia, two lonely, wounded, and mismatched strangers, transformed into soul mates by the uncanny powers of a phosphorescent stone. Destiny, as well as some bizarre and near-tragic circumstances, conspire to keep the lovers apart. But the audience and reader are privy to a grand and surprising finale that explains all. Thought-provoking, intriguing, and utterly romantic, *Lulu on the Bridge* offers a lyrical meditation on what distinguishes chance from fate, reality from illusion, and life from death. Following on the success of the screenplay companion to *Smoke and Blue in the Face*, this book contains the shooting script; an interview with Paul Auster by Rebecca Prime; interviews with the producer, costume designer, editor, director of photography, and production designer; and stills from the film.
