Tech Savvy Parenting: Navigating Your Child's Digital Life Brian Housman

Every parent struggles to find a balance with cell phones, social networks, and video games in the lives of their kids. Most parents feel overwhelmed and ill-equipped to set boundaries for their kids because they don't know what to do with the technology themselves. Tech Savvy Parenting will give parents the practical tools and resources needed to help the whole family use technology wisely and responsibly. It is a valuable resource allowing parents to move from being frustrated to being tech savvy. Each chapter walks the reader through a different issue of technology that kids and teens are wading into. Brian provides easy-to-follow instructions and "how to" tips that are very helpful for parents of kids and teens. This full color book includes 22 infographics and 18 resources that help bring the technical information to life.
