Robert A. Heinlein

Assignment In Eternity Robert A. Heinlein

Compelling science fiction adventure from *New York Times* bestseller Robert A. Heinlein: two classic novellas, *Gulf* and *Lost Legacy*, and two short stories with speculation on what makes us human.

Compelling science fiction adventure from *New York Times* bestseller Robert A. Heinlein: two classic novellas and two short stories with speculation on what makes us human.

Gulf: in which the greatest superspy of them all is revealed as the leader of a league of supermen and women who can't decide on quite what to *do* with the rest of us. The prequel to Heinlein's later *New York Times* best seller, *Friday*.

Lost Legacy: in which it is proved that we are all members of that league of the superhuman—or would be, if we but had eyes to see.

Plus a double dose of great short stories, with two of the master's finest: one on the nature of being, the other on what it means to be a man. The second story, "Jerry Was a Man," was adapted for the TV series *Masters of Science Fiction*, and is now available on DVD.

About Robert A. Heinlein:

"Not only America's premier writer of speculative fiction, but the greatest writers of such fiction in the world."—Stephen King.

"One of the grand masters of science fiction."—*Wall Street Journal*
