## Contatto - Il mistero dei rapimenti alieni (Italian Edition) Ade Capone

"Perché si può credere o non credere, ma per forza ci si deve soffermare a riflettere sulle storie che leggerete. Anche se siete degli scettici incalliti troverete interessante il profilo psicologico degli addotti. Cosa li spinge a raccontare certe vicende, sapendo che potrebbero essere viste come assurde, rischiando di sembrare pazzi, sapendo di non guadagnarci nulla, anzi perdendo quasi sempre il proprio partner, gli amici e il lavoro. E anche quando sono allontanati da tutti, nella completa solitudine, continuano con la loro versione dei fatti. Perché?"

(dalla prefazione di Daniele Bossari)
