El diciembre del decano (Spanish Edition)

Saul Bellow

El diciembre del decano (Spanish Edition) Saul Bellow

Agudo, satírico, mordaz y gran analista de su tiempo, el Premio Nobel Saul Bellow analiza en esta obra las diferencias entre Oriente y Occidente.

Albert Corde, decano de la facultad de periodismo de Chicago, no está preparado para la violenta respuesta social que han tenido sus artículos sobre la corrupción imperante en la ciudad o su enredo en el proceso contra dos negros sospechosos del asesinato de un estudiante blanco. Acusado de traicionar a su ciudad, de ser un loco incívico y un racista, durante un viaje que le lleva a Bucarest, donde su suegra agoniza, Corde no puede evitar establecer severas comparaciones entre la corrupción y la deshumanización de la tiranía comunista, y las putrefactas y abandonadas calles de Chicago.

Mediante la yuxtaposición de diferentes acontecimientos -tanto públicos como privados- que se suceden simultáneamente en ambas ciudades, Bellow ilustra hábilmente cómo el remolino de fuerzas que sacude al hombre contemporáneo puede reunirse para provocar su fracaso.

Reseña:

«*El diciembre del decano* contiene la oposición más enérgica de Bellow a las fuerzas que gobiernan nuestro tiempo.»

Malcom Bradbury
