Storm Mountain Tom Birdseye

Cat Taylor is furious when her cousin steals her father's ashes to scatter on the mountain—but when they get caught in a blizzard, can the two work together to survive?

Cat Taylor's father and uncle, a famous search-and-rescue team, died on Storm Mountain two years ago, and Cat and her mother still can't seem to move on. When her mom goes away on business for the weekend, Cat thinks she has the house to herself—until her cousin Ty suddenly shows up at her door, claiming his dad visited him in a dream and told him to scatter the two brothers' ashes at the mountain's summit. Cat refuses; how can Ty ask her to let go of her dad? But when she wakes up the next morning, Cat discovers that Ty has gone to Storm Mountain—and he took her father's ashes with him.

Determined to stop Ty before he does something crazy, Cat races up the mountain after him. But when a huge snowstorm rolls in and traps them, Cat and Ty realize they could be in more danger than they ever imagined.
