The Ethics of Managed Care: Professional Integrity and Patient Rights (Philosophy and Medicine)

The Ethics of Managed Care: Professional Integrity and Patient Rights (Philosophy and Medicine)

This collection provides a philosophical and historical analysis of the development and current situation of managed care. It discusses the relationship between physician professionalism and patient rights to affordable, high quality care. Its special feature is its depth of analysis as the philosophical, social, and economic issues of managed care are developed. It will be of interest to educated readers in their role as patients and to all levels of medical and health care professionals.
