Compiled from the author's own enormous collection and years of research, this book lists 6,200 films and the music that was a part of them. Each entry gives the movie title, studio, year of release, stars, songs sung during the film (15,000+ throughout the book), composers, lyricists, and a brief description of the album cover. This book is a necessity for sheet music collectors, musicians, historians and the general public who are interested in a greater knowledge of film music.
