Appetizer

Cal Buchanan needs a top-flight chef to take over his failing Seattle restaurant, The Waterfront. He can afford to hire the best in town—the only problem is that the best happens to be his ex-wife, Penny Jackson.

Entrée

Penny really needs this opportunity, but she doesn't need the distraction of working with her ex. She's sworn off romance—she's even having a baby on her own. But before she knows it, the heat is on...and the attraction between her and Cal moves from a low simmer to a full boil!

Dessert

The rest should be easy as pie, but a secret from Cal's past could spoil everything. Maybe it's true that too many cooks spoil the broth—or maybe two is enough to make it irresistible.
