**A paranormal category romance from Entangled's Covet imprint...**

*How To Claim Your Dragon...*

As the head of security of Vegas's Crown Jewel casino?and its hidden dragonshifter sanctuary?ice dragon Darius Dachien commands respect. Unfortunately, that respect isn't always reciprocated. In fact, when it comes to the stunning Mei Chen, hostility might be a better word. Which makes things even harder for Darius, since Mei is his dragon mate. Without her, his dragon form is fading fast...and once lost, will be gone forever.

Mei can't deny the fierce chemistry that simmers between them. If Darius were ever to discover who?or rather, what?she really is, she wouldn't just lose him, but her place with the dragonshifters. The moment Mei's past comes crashing into her present, she realizes her time for secrets has ended. Now she must reveal her true self...and risk both her life and her heart with the one man who could destroy her.

### **From reader reviews:**

#### **Warren Matt:**

Nowadays reading books be a little more than want or need but also get a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The data you get based on what kind of publication you read, if you want send more knowledge just go with education books but if you want really feel happy read one having theme for entertaining for example comic or novel. The particular Dragon Her Back is kind of e-book which is giving the reader unforeseen experience.

#### **Alma Rasmussen:**

Your reading 6th sense will not betray you, why because this Dragon Her Back reserve written by well-known writer whose to say well how to make book which might be understand by anyone who have read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your own hunger then you still question Dragon Her Back as good book not merely by the cover but also by the content. This is one publication that can break don't assess book by its handle, so do you still needing one more sixth sense to pick that!? Oh come on your studying sixth sense already alerted you so why you have to listening to another sixth sense.

#### **Mildred Ralph:**

This Dragon Her Back is great guide for you because the content which can be full of information for you who always deal with world and get to make decision every minute. This book reveal it facts accurately using great manage word or we can say no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having Dragon Her Back in your hand like obtaining the world in your arm, data in it is not ridiculous one. We can say that no e-book that offer you world within ten or fifteen second right but this guide already do that. So , this is good reading book. Hello Mr. and Mrs. active do you still doubt which?

#### **Dorothy Payne:**

Do you like reading a book? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many query for the book? But any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but also novel and Dragon Her Back or even others sources were given knowledge for you. After you know how the good a book, you feel need to read more and more. Science guide was created for teacher or perhaps students especially. Those guides are helping them to add their knowledge. In some other case, beside science e-book, any other book likes Dragon Her Back to make your spare time far more colorful. Many types of book like this.
