The Raad ny Foillan (Way of the Gull) is a 96 mile footpath around the Isle of Man. The route description is set out as a circuit and split into stages, with the longest walk being 15.5 miles and the shortest being 7 miles. Any fast walkers may wish to complete two stages per day, while those progressing at a more leisurely pace may decide to amble along and take in the splendid attractions along the way. There are two other walks described in this guidebook. The 23 mile Millennium Way, which follows the ancient route of the kings, from Ramsey to Castletown, and 14 mile The Herring Way which takes a more traditional route from Peel to Castletown. Both these routes cross the hills of the island's interior and can be combined to make an interesting longer walk. Reprinted in 2013 with updates.
