His touch was electric.

His eyes were magnetic.

His lips were a temptation. . . .

But was he real?

Shane is near death after crashing her car on a long stretch of empty highway in rural New Mexico when she is miraculously saved by a mysterious young man who walks out of nowhere. She feels an instant energy between them, both a warmth that fills her soul and a tingle that makes her shiver. But who, or *what*, is he? For the first time in her life, she believes in the term "soul mates"—Travis is her destiny, and she is his. But she soon discovers that Travis is dead and strict rules govern kindred spirits of different dimensions. Even a kiss could destroy both their souls. And while Travis is almost impossible to resist, temptation proves to be the kindest enemy they encounter.

In this part romance, part supernatural thriller, true love discovers it may not be able to surpass all—especially the power of pure evil.
