## **Twenty Thousand Leagues Under the Sea (Xist Classics) Jules Verne**

20,000 Leagues Under the Sea tells the story of Captain Nemo and his submarine Nautilus as they travel deep into the ocean. Originally published in French by Jules Verne in 1870, this is early science fiction at its best and strangest. Read the book that was ahead of its time and spawned many adaptations in film, tv and literature.

This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This ebook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.
