Building Community Resilience to Disasters: A Way Forward to Enhance National Health Security (Technical Report (RAND)) Anita Chandra, Joie Acosta, Stefanie Stern, Lori Uscher-Pines, Malcolm V. Williams

Community resilience, or the sustained ability of a community to withstand and recover from adversity, has become a key policy issue. This report provides a roadmap for federal, state, and local leaders who are developing plans to enhance community resilience for health security threats and describes options for building community resilience in key areas.
