## **Gone to the Forest: A Novel** Katie Kitamura

FROM THE CRITICALLY ACCLAIMED AUTHOR OF *THE LONGSHOT* comes this gripping saga about the destruction of a family, a home, and a way of life. Set on a struggling farm in a colonial country teetering on the brink of civil war, *Gone to the Forest* is a tale of family drama and political turmoil in which fiery storytelling melds with daring, original prose. Since his mother's death, Tom and his father have fashioned a strained domestic peace, where everything is frozen under the old man's vicious control. But when a young woman named Carine arrives at the farm, the tension between the two men escalates to the breaking point. Hailed by the *Boston Globe* as "a major talent," Kitamura shines in this powerful new novel.
