## **Take Two Chocolates and Call Me in the Morning** Emily Watts

Emily Watts is a wife, the mother of five children, a writer and editor, and a woman like you — with too much to do and too little time. She knows how it feels when you're on overload, with deadlines looming, and all you've got to bring to the task is a depleted store of energy. She knows, and she's here to help.

Written in Emily's insightful, humorous, and self-deprecating style, *Take Two Chocolates and Call Me in the Morning* is full of what she calls “semi-practical” solutions to the woes of everyday life. A book for women of all ages, it will make you smile (maybe even laugh), help you sort out your priorities, and deliver you from the mindset that you have to do everything and do it perfectly.
