The Premier Football Betting Handbook 2011/12: The key stats and strategies to give you an edge betting on the Premier League Pete Nordsted, Danny Jaques

Written by Pete Nordsted, author of 'Mastering Betfair', The Premier Football Betting Handbook showcases the best of the available football betting markets and how you can profit from them.

Betting on football has increased massively in recent years and it now offers a great way to make money whilst enjoying some thrilling football matches - a pretty unbeatable combination!

If, like most people, you lead a busy life you simply do not have the time to analyse the key stats before placing a bet on the weekend's football. Often you'll end up betting on hunches rather than basing your prediction on the important facts. If this is the case then this is the book for you. It gives you all the necessary ammunition needed to take on the bookies - and win!

As well as highlighting a variety of football markets you can bet on, we offer you structured analysis of the main markets such as Match Odds, Asian Handicaps, Corners, Bookings, and First and Last goal scorer, by pinpointing the best angles to secure a steady stream of profits throughout the season.

The handbook also includes a detailed breakdown of each team's statistical performance over the previous season, backed up by unique reports which will give you that all important edge.

If there is money to be made betting on the Premier League then 'The Premier Football Betting Handbook' will show you how.
