John Calvin's Commentaries On Ezekiel 1- 12: Extended Annotated Edition John Calvin

This is the extended and annotated edition including

* an extensive biographical annotation about the author and his life

Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation.

The vigor of Calvin's mind and the stores of his learning are amply displayed in his COMMENTARY ON EZEKIEL. And that the modern reader may enter fully into those valuable explanations of the text it will be desirable to furnish him with a slight sketch of the times in which this Prophet lived. We shall then add such critical remarks as may illustrate our Author's exposition of the Sacred Text.

"Thy sons shall be eunuchs in the palace of the king of Babylon," were the ominous words of ISAIAH to a king of Judah, and after the lapse of a century they were fulfilled to the letter. Kings, and priests, and nobles, and people were all swept away by the remorseless monarch, and planted here and there along the lenny banks of the river Chebar. There EZEKIEL pined in misery among three thousand captives of rank, who, according to JOSEPHUS, graced the triumph of NEBUCHADNEZZAR. Either a priest or the son of a priest, (for the sense is doubtful, Ezekiel 1:4,) here he was compelled to linger during twenty-two years of his life, while he was wrapt in prophetic vision, and carried on the wings of the soul to the city of his fathers. Here he tarried in body, while his spirit was at home with the Cherubim within the Temple, among their wings and wheels, and burning movements, and mysterious brightness.
