**La maña: Droga, violencia y poder (Spanish Edition)** Édgar Morin

**Un libro que, sustentado por una rigurosa investigación, aborda de forma accesible y creativa el tema de las drogas ilícitas y el narcotráfico.**

Del senador corrupto al mando militar que deja pasar los cargamentos. Del discreto capo de clase mundial y el empresario que lava dinero al policía judicial que cobra derecho de piso. Del dealer del barrio al consumidor de mota que busca su toque en las calles. Todos forman parte de la maña.

*La maña* examina a profundidad el nudo social que conforman las drogas ilícitas, el dinero, la violencia y el poder. A partir de las mejores herramientas de la antropología, la sociología y el periodismo, Edgar Morín nos ofrece una impresionante visión de conjunto del narcotráfico en tiempos de un capitalismo cada vez más multifacético y depredador.

El objetivo es poner al descubierto el corazón de la maña: una cultura delincencial que surgió en menos de 100 años de prohibición e hizo de la corrupción un sistema prácticamente inamovible. Es una trama que detalla el proceso por el que las drogas se convirtieron en mercancías y produjeron una subcultura con un sistema propio de creencias y símbolos. Asimismo, se configura un conjunto de datos duros que contribuyen a demostrar el costoso fracaso de la versión mexicana de la guerra contra las drogas, resultado de decisiones improvisadas e influidas incluso por la ficción cinematográfica.
