Trina is a fifteen-year-old dragon mage in a kingdom ruled by witches and wizards - the same people who have brought dragons and other magical creatures near extinction. Trina can barely control her fire powers and is desperate for an apprenticeship, but finding a fellow dragon mage to be her teacher is proving more difficult than coming across an actual dragon. Then there's the Royal Tourney - a competition presented by the Queen to find a successor to the throne. Trina heads to the competition in the hopes of sparking some interest in the mage society and earning herself an apprenticeship. She never intended to be a frontrunner in the competition. She never meant to catch the attention of the evil witch trying to take over the throne. She never expected to fall for a wizard. Now Trina must face tough decisions about who she is and who she could become. Trina must ask herself: Can she really win the Royal Tourney?
