## **The Gun Book for Boys** Silvio Calabi, Steve Helsley, Roger Sanger

The first of a three-volume series, this book is aimed at young readers interested in guns and shooting but who have no background in firearms and don't know where to begin. Thoroughly illustrated with drawings and photos, it defines firearms terms, provides hands-on advice about using and maintaining guns, and explains aspects of shooting ranging from historic target matches to military sniping. Through example and anecdote, the book emphasizes safety and proper usage, and everything is presented in easily managed portions that can be read in series or singly—backed up with an index and suggestions for further reading.
