## **The World Waiting to Be: Poems About the Creative Process** Louis Daniel Brodsky

In this fifty-eight-poem collection, Brodsky examines the highs and lows authors experience as they practice their craft. Portraying everything from writer's block and the terror of the blank page to the overwhelming joy of finishing a work, *The World Waiting To Be* is both lamentation and love song to creative inspiration and the intersection of time and eternity, in the act of writing.
