Accounting Demystified Jeffry R. Haber

For new students of accounting, entry-level accounting professionals, and business professionals whose own work relates directly to the numbers on the ledger, a basic understanding of core accounting functions and documents is critical. Accounting Demystified provides a simple and straightforward description of universal elements of the accounting process, plus accessible tutorials in creating, interpreting, and using financial statements. Haber's clear language will let readers:

- * understand accounting basics
- * find errors quickly
- * prepare accurate financial statements
- * analyze financial documents
- * determine the financial health of a business
- * prepare a financial prospectus for potential investors and lenders

From the classroom to the back room to the board room, Accounting Demystified serves as a valuable primer on the basics of accounting and the purposes they serve."
