## **Introduction to Executive Protection Dale L. June**

An Introduction to Executive Protection provides beginners in the occupation of executive protection with the tools they need to know and appreciate the profession; to enable them to realize what is expected when they are placed in positions of confidence and trust; and to understand the implications of being responsible for the safety and lives of others.

This guide emphasizes the basic elements of executive protection which are often neglected or overlooked in practical application, even by professional schools of executive protection instruction which sometimes mistakenly assume all enrollees are practiced journeymen. In addition to practical and technical considerations of the profession, "executive protection" means working with people on a personal level. The author draws on his extensive and varied experience in the field to share events that inform and enlighten students of executive protection and teach them how to best avoid endangering those they protect.
