Wolf Flight: Granite Lake Wolves, Book 2 Vivian Arend

From *New York Times* bestselling author VIVIAN AREND, a light-hearted, standalone paranormal romance.

An untriggered werewolf. A runaway Omega. It's not easy fighting destiny.

Granite Lake Wolves, Book 2

Tad Maxwell's workaholicism serves to keep his bush-pilot company in the air, and his inner werewolf in check. In the two years since he discovered his heritage, he's resisted the longing to test the power of his wolf side. It would mean compromising his human principles.

Then Missy Leason re-enters his life. Ten years ago, their teenage attraction never went beyond hand-holding. Now their chemistry is off the charts, pushing him closer to the step he's not sure it's safe to take, especially with a human.

But Missy is more like Tad than he realizes. She's wolf too, and a wolf pack is a dangerous place to have secrets. Missy's Alpha has sniffed out her carefully hidden Omega powers. Her first response: run from the corrupt Alpha's plan to make her his mate. Step two: get to Tad, and hope like hell his untapped powers are strong enough to negate her own.

Every touch with Missy is hot, hot, hot, but even finding out she's pure wolf doesn't solve Tad's dilemma. Is she using him, or are they truly destined mates? Only one thing is certain. He will defend her to his last breath--on his terms. Even if it means losing his life.

Warning: Contains nasty Alphas, secret Omegas and werewolves acting raunchy on the dance floor. Sarcasm, wilderness cabins and hot nookie back by popular demand.
