A Sustainable Future: 218 (Issues) Lisa Firth

The impact of humanity's actions on the environment is, as ever, a much-discussed topic, giving rise to a diverse range of opinions. Our everyday lives have a huge effect on the world around us, and equally the environment has a significant effect on human beings. With issues ranging from sustainability, climate change, waste management, biodiversity, population pressure, pollution and water and sanitation, this book gives a comprehensive overview of the discussions surrounding sustainability and environment.
