Marbles evoke memories of childhood and simpler times; perhaps this is why they are collected with such enthusiasm! Marble fans won't want to go without this fantastic reference, which has been the standard collecting guide since its first publication nearly 35 years ago. *Collecting Antique Marbles* not only provides up-to-date pricing information, it provides collecting tips and advice on the hobby every collector should know.

This long-awaited 4th edition provides a full-color look at the rarest and most collectible marbles in the world, aiding in identification and giving marble enthusiasts an eyeful of what's out there. A history of marble types and manufacturers is included in the book, as well as important information on spotting fakes and reproductions. A new chapter on Carpet Bowls joins updated chapters on German Swirls, Onionskins, Clambroths and Indians; Lutz; Sulphides and End-of-Day; Transition and Machine-Made, and many more.
