Dark Warrior Unleashed Alexis Morgan

The rough and rugged Talions, sexy warriors who stop at nothing to deliver justice, star in this steamy new paranormal series from Alexis Morgan.

He's on a mission to annihilate the enemy.

A Talion enforcer, Ranulf Thorsen has served his people for a thousand years, delivering the eye-for-an-eye justice by which his kinsmen live. Weary of the centuries-long fight, the fierce warrior with icy blue eyes has secluded himself on a mountain far from the chaos of the modern world below. Now he's been summoned to face the most dangerous battle of his life -- and the fate of his people is on the line.

But when he meets the beautiful woman he has sworn to defend...

Ranulf and his bitter rival, fellow Talion Sandor Kearn, must find the rogue Kyth who set a violent fire in a nightclub. The near-deadly blaze's unlikely heroine, Kerry Logan, is also a Kyth, possessing the ancient Nordic people's unique ability to manipulate human energy. She just doesn't know it yet.

...who will protect his heart?

Kerry finds more than comfort in her warrior's embrace, and Ranulf hungers to both defend and claim the petite powerhouse for his own. But with time ticking away and their lives on the line, will Kerry believe the wild tale he's telling her, and master her powers...before it's too late?
