During the Nazi occupation of Ukraine, a match was set up between Dynamo Kiev's players, playing as FC Start, and a German side. Kiev won. And when the Germans fielded a better side, Kiev beat them too. And again, and again. Until the half-starved FC Start players faced an international-calibre German side, under the threat of execution if they didn't let the occupiers win... An astonishing true story.

Highly readable, exciting books that take the struggle out of reading, the **Wired** and **Wired Up** series encourage and support reading practice by providing gripping, age-appropriate stories at a manageable length and reading level.
