Lucky for them, this book helps relieve those fears and allows them to focus on what they're supposed to be doing--teaching. With a friendly, accessible format, teacher-turned-author Frederick Wootan supplies solutions to his fellow educators' fears, like:

- Are their students actually listening to them?
- Are they being fair about grading?
- What can they do about overly aggressive parents?
- How are budget cuts going to affect their classroom?
- What's to stop them from being laid off?

With this book, teachers will build their confidence, take back their classrooms, and put the emphasis back on education.
