The Mystery of Cloomber

Sir Arthur Conan Doyle

The Mystery of Cloomber Sir Arthur Conan Doyle

What dark deed from the past haunts Major Heatherstone? Why does he live like a hermit at Cloomber Hall, forbidding his children to venture beyond the estate grounds? Why is he plagued by the sound of a tolling bell, and why does his paranoia rise to frantic levels each year on the fifth of October? With the sudden appearance of three shipwrecked Buddhist monks, the answers to these questions follow close behind. Arthur Conan Doyle's Gothic thriller unfolds in his native Scotland, in a remote coastal village surrounded by dreary moors. The creator of Sherlock Holmes combines his skill at weaving tales of mystery with his deep fascination with spiritualism and the paranormal. First published in 1889, the novel offers a cautionary view of British colonialism in the form of a captivating story of murder and revenge.
