"Who Cut The Cheese?" is the original, hilarious parody of the business bestseller "Who Moved My Cheese?"

It is a parable in which four rats must find a way through a maze in their hunt for "Cheese." But this "Cheese" is actually symbolic of the things we all want out of life: success and self-confidence, a nice house, a loving marital relationship, perfect children, a loyal dog, indoor plumbing, good Chinese food, several million tax-free dollars, and red-hot sex with multiple partners.

The "Maze" in this story is symbolic of the twisting, turning, confusing, mugger-filled blind alleys of Your Life. And since you're being compared to a rat in this book, the whole "Maze" analogy works like a charm.

When you come to see the "Psycho-babble on the Wall," you can discover for yourself how to deal with change in the workplace, and how to find the Cheese that will make your life joyous and fulfilling.

Failing that, if you were forced by your boss to read "Who Moved My Cheese?" before getting a pay cut or a pink slip, "Who Cut The Cheese?" will at least give you the last laugh!

NOTE: "Who Cut the Cheese?" is a small gem - meaning that it's roughly 1400 pages shorter than "War and Peace," but roughly the same length as the teeny tiny original book (around 80 pages). That's why the price is low, but the "laughs per page" ratio is high!
