A Cup of Comfort for Nurses: Stories of Caring and Compassion Colleen Sell

Doctors have long been considered the heroes of the medical profession. Yet it is the nurses who are there for us at birth, death, and every bump, bruise, or break in between. A Cup of Comfort for Nurses brings the tales of more than fifty of these underappreciated professionals to life, including: Bonnie, who along with one of her fellow nurses, became known to her patients as "Comfort and Joy"; Julie, who became a nurse (along with four of her siblings) after caring for a physically and mentally delayed sister in her home under the guidance of her doting mother; Dot, who served her country during World War II by caring for injured soldiers home from the front. The moving tales of these dedicated nurses, along with the dozens of others in A Cup of Comfort for Nurses are sure to appeal to readers everywhere-and may even inspire some of them to take up the nurses mantle themselves.

The printed and e-book are not different in the content material but it just different available as it. So , do you nevertheless thinking A Cup of Comfort for Nurses: Stories of Caring and Compassion is not loveable to be your top listing reading book?

Theodore Mullis:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach

Chinese's country. Therefore , this A Cup of Comfort for Nurses: Stories of Caring and Compassion can make you feel more interested to read.
