Giselle Jacques

## A Estrela da Manhã (Portuguese Edition) Giselle Jacques

A criação do homem, a guerra dos anjos, a queda dos demônios, a serpente e o paraíso! Essa é a mistura mais do que explosiva romance de ficção fantástica Giselle Jacques. Intitulada A Estrela da Manhã, a obra é recheada de polêmica, novos e insólito paradigmas. Recriando uma das partes mais conhecidas da Bíblia, o Gênesis, a romancista une passagens do livro sagrado cristão ao Talmude e à Torá judaica, incorporando textos apócrifos para recontar a história de Adão, Eva... e Lúcifer!

Mais controversa que isso, a trama principal do livro apresenta a versão romanceada da lendária Guerra no Céu, desvendando nova ótica sobre o confronto celestial e explicando de forma inusitada o mito dos Anjos Caídos. Diferente das narrativas que trazem os anjos até nossos dias, Giselle reescreve a sua maneira toda a saga conhecida como Antigo Testamento! Os anjos Miguel, Rafael e Gabriel são apenas alguns dos personagens importantes da obra que, além de pesquisa em livros sagrados, utiliza princípios e trechos da cabala hebraica, preceitos enoquianos e escrituras gnósticas para explicar a teoria criacionista.

Ricamente ilustrado pela artista plástica paulistana Leona Volpe - cujo talento também assina a capa do romance -, esse livro é contraindicado para pessoas de coração fraco ou nervos facilmente abaláveis. Com muita coragem, contestando, revendo e ampliando as bases de três das principais religiões mundiais, A Estrela da Manhã é um livro que vai fazer o leitor mais valente (re)pensar os seus conceitos!
