#### **John Razo:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Architect: Tk can make you experience more interested to read.
