**True Love, the Sphinx, and Other Unsolvable Riddles: A Comedy in Four Voices** Tyne O'Connell  
American teenagers Sam and Salah lead fairly uncomplicated lives. They breeze through classes at their prestigious Manhattan high school, their friends all look up to them, and they've never had to put much effort into attracting girls. But when their class embarks on a field trip to Egypt, complications arise in the forms of Rosie and Octavia, two British beauties who won't be easily charmed. Amid luscious scenes of Egyptian culture and history, these four star-crossed lovers will endure mistakes, missteps, and plenty of misunderstandings before they can achieve their hearts' desires. Told from four alternating points of view, Tyne O'Connell's latest novel is both a fast-paced comedy of errors, and a heartfelt romance that proves sometimes the greatest complication of all is love.
