## **A-10 Thunderbolt II Units of Operation Enduring Freedom 2008-14 (Combat Aircraft) Gary Wetzel**

The untold story of A-10 units in Operation Enduring Freedom reaches its conclusion with this second of two volumes focusing on the type's combat missions in Afghanistan. Featuring numerous first-hand accounts and photography from those who experienced the conflict, along with imagery from official military archives, this book offers a unique and detailed insight into the record of the A-10 in one of the 21st Century's most significant conflicts.

Initially, the A-10 Thunderbolt was not a favorite of the USAF, which, prior to the Iraqi invasion of Kuwait in 1990, was hoping to shunt this Cold War relic onto the US Army and Marine Corps. But since then, the 'Warthog', with its formidable armament, ruggedness and flexibility, has continually proven itself in combat and evolved into the world's premiere close support aircraft. In 2002 the Thunderbolt was at the forefront of Operation Enduring Freedom, the US occupation of Afghanistan.

#### **April Baker:**

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this A-10 Thunderbolt II Units of Operation Enduring Freedom 2008-14

(Combat Aircraft) can make you experience more interested to read.
