Children's Creative Play Karin Neuschütz

Many parents find it hard to know which toys are appropriate for children at different ages, and what kinds of play to initiate and encourage. What can parents do to best help children develop, and foster their skills? Karin Neuschütz, an experienced educator and parent, addresses these questions in this concise, readable book. She discusses how children play, creatively and freely, and how they are affected by their environment and by the adults near them. She explores each developmental stage up to age seven, using case studies to illustrate particular issues. She then suggests suitable toys and dolls and nurturing activities for children at particular stages. Parents and early-years educators will appreciate the dependable, practical advice in this book.
