Fede Laica 1 - A occhi aperti (Italian Edition) Mario Di Stefano

Così ne hanno scritto: “Questo forte libro mi interessa molto perché tocca quelle questioni che sono alla base di tutto” (Claudio Magris); “Vi trovo osservazioni di grande interesse su tanti temi ma soprattutto sul rapporto fra Chiesa e potere temporale” (Romano Prodi); “Un libro che ho trovato molto bello” (P. Alex Zanotelli).

Ispirata a una visione laica e non dogmatica, questa Prima parte dell’opera Fede Laica traccia - in forma chiara, scorrevole e lontana dalla retorica devozionale - un possibile percorso per cercare nella natura, nella bellezza, nella preghiera, nel dubbio, nel dolore i motivi razionali di una libera adesione al messaggio del Vangelo.

Ne risulta un quadro assai ricco di riflessioni e di riferimenti su argomenti ineludibili - quali il mistero dell’universo e della vita, la ricerca di Dio, la religione, il problema del male, la violenza, la guerra, la preghiera, la bellezza - attingendo anche alle visioni del mondo lasciateci dai grandi pensatori e mistici di ogni epoca e alleggerendo l’esposizione con numerose suggestive digressioni e immagini. E’ poi compito della Seconda parte di Fede Laica - Una perla dai mille riflessi - esaminare la grande influenza, con le luci e le ombre, che il Vangelo ha esercitato e potrà ancora esercitare nella travagliata storia dell’Occidente. Per i suoi contenuti densi e di così largo interesse, il testo si presta molto bene ad una lettura, oltre che sistematica, anche episodica di singoli brani, ognuno capace di catturare intensamente l’attenzione del lettore.
