## Historical Dictionary of the Lesbian and Gay Liberation Movements (Historical Dictionaries of Religions, Philosophies, and Movements Series) JoAnne Myers

Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement, indeed, the terms gay and lesbian were not even used if some other expression could be found. Today, by contrast, hardly a day passes when something important does not occur, and is carried by the major media and disseminated on more personal levels through blogs and the social media. If anything, there is perhaps too much “news” and not enough “information.” Obviously, a book like this cannot keep up with the news, but it can do something equally important when it comes to information, by reminding us of the past and what has been going and just how fast events are moving.

The *Historical Dictionary of the Lesbian and Gay Liberation Movements* covers the history of this movement through a cross-referenced dictionary with over 1000 entries on specific countries and regions, influential historical figures, laws that criminalized same-sex sexuality, various historical terms that have been used to refer to aspects of same-sex love, and contemporary events and legal decisions. Including a comprehensive chronology and bibliography, this book is an excellent access point for students, researchers, and anyone interested in learning more about the struggle for equality.

#### **Victor Hubbard:**

Do you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try to pick one book that you never know the inside because don't ascertain book by its cover may doesn't work here is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside search likes. Maybe you answer can be Historical Dictionary of the Lesbian and Gay Liberation Movements (Historical Dictionaries of Religions, Philosophies, and Movements Series) why because the fantastic cover that make you consider with regards to the content will not disappoint you actually. The inside or content will be fantastic as the outside or perhaps cover. Your reading sixth sense will directly direct you to pick up this book.

#### **Joseph Mattos:**

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach

Chinese's country. So , this Historical Dictionary of the Lesbian and Gay Liberation Movements (Historical Dictionaries of Religions, Philosophies, and Movements Series) can make you sense more interested to read.
