After Samantha's honeymoon became a steamy and surprising encounter with the dark and imposing John Wolfe, the Billionaire owner of the hotel-casino, the new bride didn't know what to expect next--especially regarding her new marriage with her loser husband, Mike.

But after John Wolfe introduces Samantha to one of his long-time girlfriends, her honeymoon weekend takes an unexpected turn toward a \*heist\* that could make the two women filthy rich and flying to a new life in the Caribbean.

So much for her marriage!

On top of that, even though John Wolfe's 'arrangement' with Samantha has been concluded, he's not done with her yet.

John Wolfe wants Mike to watch.

... and Samantha would \*love\* to see Mike squirm.

\*\* This is a hot and quick tale of a modern, average-bodied woman getting swept up into dirty, new things that will expand her horizons. Samantha will learn a lot about herself in ways she never before imagined, and will be hard-pressed to discover her role in the new life unfolding around her.
