## Shapes (Max Lucado's Hermie & Friends Book 3) Max Lucado's Hermie & Friends

Hermie has invited Wormie™ over to play his new board game, "Get into Shapes." With a flick of the spinner, Hermie and Wormie are literally bending over backwards to do their best caterpillar impressions of the shape that the arrow lands on. The tumbling, bumbling caterpillars attract the attention of the other garden inhabitants, and soon, the whole group of insects is 'getting into shapes.' Antonio Ant™ lends his sectional body to create a perfect triangle; Lucy Ladybug™'s wing forms an exact semicircle, and Schneider the Snail™ has to expend little effort to exhibit a circle. Children will laugh and learn as the caterpillar crew teaches them to identify circles, squares, triangles, and other shapes-with an underlying message of using individual strengths toward a team effort.
