**The Bridge at Remagen: A Story of World War II (Presidio War Classic; World War II)** Ken Hechler

It was a stunning strategic victory of World War II—and one of the most fantastic breaks for the Allies. On March 7, 1945, a small group of American infantrymen, engineers, and tank crews secured the Ludendorff Bridge that crossed the Rhine. The successful mission saved thousands of American lives and spearheaded the invasion of Nazi Germany.

The Bridge at Remagen is the detailed narrative of this surprising but crucial military action, one that stunned the German army. It is also the moving story of men who did not consider themselves heroes, but who performed magnificently under fire. In this amazing true story, Ken Hechler gives you the hour-by-hour account of brilliant military daring, human courage, and almost incredible luck that profoundly changed the course of the war.
