Abuse, Domestic Violence, Workplace and School Bullying Jim O'Shea

The book examines abuse (not clerical or institutional abuse). It explores boundaries and how abuse is an invasion of boundaries. It explores physical, emotional, verbal, sexual and financial abuse. The book looks at the abusive personality type, and examines workplace and school bullying. Child abuse is explored, and the issue of staying in or leaving an abusive environment. The question of what happens if one leaves and if it is possible to change an abusive personality is examined. A client's story is contained in the book and this gives a human aspect to the exploration.
