**Emma wants to be a model, but membership in the Cupcake Club might be all the fame she needs.**

The Special Day wedding salon is running an ad in the local newspaper, and they want Emma to model in the advertisement. When a local department store also wants to use Emma as a model, she's suddenly very much in demand! But after running all over New York City for auditions (and being told over and over she "just isn't right") Emma realizes being a model is a lot tougher than she thought. Does Emma really want to be America's next top model, or is being a part of the Cupcake Club sweet enough?
