Silvana Mandolessi, Maximiliano Alonso

Estudios sobre la memoria. Perspectivas actuales (JQKA) (Spanish Edition) Silvana Mandolessi, Maximiliano Alonso

Los estudios sobre memoria han sido, desde el inicio, un campo interdisciplinario cuya complejidad incluye una variedad de objetos, metodologías y conceptos que constantemente lo modifican. Durante los últimos años hemos sido testigos de la notable trayectoria del término ‘transnacional’, que rápidamente reemplazó términos previos tales como ‘post-colonial’ o ‘multicultural’. En los estudios culturales, los estudios literarios, los estudios de migración, entre otros, ha ido imponiéndose en la última década un cambio de perspectiva, que por su alcance y repercusión, ha dado lugar a un transnational turn. Los artículos que integran este libro pueden ser leídos bajo esta luz, como ejemplos de una perspectiva que se focaliza en las interacciones entre lo global y lo local, explorando aquello que Michael Rothberg llama cualidad ‘anacrónica’ de la memoria, o mejor, su potencial político. En síntesis, este libro presenta un panorama de los objetos de interés actuales de algunos de los más renombrados representantes de los estudios sobre memoria y Derechos Humanos, como Pilar Calveiro, Rosario Figari Layús y Gabriella Citroni –incluyendo autores que no habían sido traducidos al español (Michael Rothberg, Gabriele Schwab y Philippe Mesnard)–, a fin de contribuir a la continuación del diálogo sobre una problemática que sigue siendo crucial.
