Fram Tony Harrison

*Reliance on devices like the photograph and slide
will lead, I rather fear, to linguistic suicide.
We must keep on challenging language to engage
with all we suffer from in this new modern age.*

This epic sweep of a play takes us from a contemporary Westminster Abbey to the Arctic ship Fram - or Forward - specially built by the famous Norwegian explorer Fridtjof Nansen who, with his suicidal companion, Johansen, makes a bid on foot for the North Pole in the 1890s. Though incompatible, they share a bear fur sleeping-bag through the long winter. Nansen, still haunted by Johansen's ghost is appointed to the League of Nations. As a figurehead of Russian famine relief in 1922, he conducts the first celebrity campaign, searching for means, however shocking, to make people care.

Tony Harrison's major new work for the theatre, *Fram*, premiered at the National Theatre in April 2007.

From reader reviews:

Ricky Burnham:

Reading a guide can be one of a lot of activity that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new data. When you read a publication you will get new information simply because book is one of numerous ways to share the information or even their idea. Second, studying a book will make you more imaginative. When you reading through a book especially fiction book the author will bring you to imagine the story how the people do it anything. Third, you can share your knowledge to others. When you read this Fram, it is possible to tells your family, friends as well as soon about yours publication. Your knowledge can inspire different ones, make them reading a book.

Cleta Blackwell:

Are you kind of active person, only have 10 or maybe 15 minute in your moment to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you have problem with the book than can satisfy your limited time to read it because all this time you only find guide that need more time to be examine. Fram can be your answer as it can be read by anyone who have those short extra time problems.

Richard Harden:

In this period of time globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. The particular book that recommended for your requirements is Fram this book consist a lot of the information in the condition of this world now. This book was represented how do the world has grown up. The dialect styles that writer use for explain it is easy to understand. The actual writer made some exploration when he makes this book. Honestly, that is why this book acceptable all of you.

Harvey Lee:

What is your hobby? Have you heard this question when you got learners? We believe that that question was given by teacher with their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person such as reading or as studying become their hobby. You must know that reading is very important in addition to book as to be the issue. Book is important thing to add you knowledge, except your current teacher or lecturer. You discover good news or update in relation to something by book. Amount types of books that can you go onto be your object. One of them is niagra Fram.
