## Medicina Legal (Portuguese Edition) LILIAN SYPRIANO, DIONISIO JACOB

O objetivo deste livro ultrapassa os limites da perícia em si. Procuramos tratar os assuntos médico-legais mais atuais, associando à teoria médico-legal conteúdos práticos como o funcionamento de um Departamento Médico Legal, as rotinas que envolvem a realização de uma perícia, a correta solicitação de um exame de corpo de delito até o preenchimento de uma Declaração de Óbito e as suas implicações. Ampliamos os conteúdos, discutindo tópicos polêmicos e contemporâneos como aborto, usuários de drogas, embriaguez, abuso sexual e violência doméstica. Esperamos com este trabalho colaborar para que os profissionais do Direito e de outras ciências afins possam explorar adequadamente as informações que estão disponíveis nas perícias médico-legais e tenham um entendimento melhor sobre os fenômenos sociais que envolvem a violência. Mas principalmente buscamos apresentar um suporte para que os agentes do Direito encontrem um respaldo qualificado para o desenvolvimento de um raciocínio técnico num processo investigativo, o que certamente resultará numa justiça mais efetiva.
